Deputy Comptroller

Salary Adjustments From Retroactive Pay Increases

REF : Memorandum from General Counsel dated 2 February 1953, same subject.

1. Under the referenced opinion of the General Counsel of the applicability of the Comptroller General's Decision B106337 dated November 6, 1951, 31 Comptroller General 169 to action necessary by this Agency, it is our conclusion that we have no alternative but to require restitution from the employees of this Agency who were in effect over paid salaries for the periods involved.

2. As an indication of your agreement with our conclusion, we have prepared the attached proposed form of letter which will be sent to the individuals concerned. If you concur with our conclusion and the general form of the attached sample letter, please sign in the space designated below.
